

APPLICATION – INTENT TO DRILL

(Drill, Equip, Complete, or Alter the Size of a Well)

SUTTON COUNTY UNDERGROUND WATER CONSERVATION DISTRICT

All proposed well locations must be approved by the District prior to drilling. This notice of intent to drill maybe mailed, faxed, or emailed to district staff for review. A site visit will be conducted once the well is determined to be exempt. Drilling may begin immediately upon receiving the signed Certificate to Proceed with Drilling by District Staff. The drilling of a new well is at your own risk and subject to the rules of the District.

INSTRUCTIONS: Please complete all applicable questions. Please type or print.

Feet from Property Line: _____ Nearest Existing Well: _____ Elevation: _____

Location of Use: On Site (applicant's contiguous acreage) Within the District Export out of District

WELL PRODUCTION INFORMATION:

Drill Date Requested: _____

Existing Production: _____ gallons per day _____ acre-feet per year

Requested Production: _____ gallons per day _____ acre-feet per year

Requested Production to be Exported: _____ gallons per day _____ acre-feet per year

ATTACHEMENTS / DOCUMENTS: (all or some of the following may be required)

- Property Information including deed or lease for groundwater and map or survey
- Information regarding any liens or unpaid fees owed to the District
- Plat or map showing location of all wells within 0.5 mile radius with names, addresses, and phone numbers of owners/operators
- Pump test results / step draw down test
- Information that includes a hydrogeological study that shows current water availability and the projected effects of the proposed pumping on aquifer conditions, depletion, and other groundwater users in the District
- Information showing the availability of water in the District during the period for which the water supply is requested, and any additional water supply that were not chosen and why.
- Information showing that the project is consistent with the approved Regional Water Plan and approved District Management Plan, including the desired future conditions.

DECLARATIONS:

- I will abide by the District Rules, The District Management Plan, and orders of the District Board of Directors currently, and as they may be modified, changed, and amended from time to time
- I will comply with all District and State well plugging and capping guidelines in effect at the time of well closure;
- I will abide by the terms and conditions of this permit;
- I will avoid waste, achieve water conservation, protect groundwater quality and the groundwater produced from this well will be for a beneficial use;
- I am the applicant or I am authorized to act for the well owner; and
- I agree that all statements and information submitted is, to the best of my knowledge, true, accurate, and complete.
